REDS WILL DONATE 10% OF ALL SALES TO CATHOLIC CHARITIES OF COLUMBIA & GREENE COUNTIES

For 45 years, Catholic Charities of Columbia and Greene Counties has been providing essential services to the residents of Columbia and Greene Counties, with Emergency Assistance at the core of programming to serve the poor and vulnerable, regardless of race, religion, or lifestyle.

Just a few of the ways Catholic Charities is supporting our neighbors in need...

- Providing transportation for clients in need of a safe way to work or medical appointments.
- Helping to prevent substance abuse with programs to help children make healthy choices.
- Feeding neighbors by stocking local food pantries and assisting older adults in receiving food benefits.
- Assisting women with nutrition counseling and breast-feeding assistance, giving kids a healthy start.

In 2021, Catholic Charities provided much needed assistance to over 8,000 people in Columbia and Greene Counties.

Reds is super excited to be supporting this organization again this year! We hope you'll join us on November 16th knowing that 10% of your dining purchase will be donated to furthering the mission and works of this local organization. Together we can make a meaningful impact on the lives of those in our community.
